January 2014

## WELCOME WATeR'S NEW BOARD MEMBERS

New member of the WATeR Board, [Paulette Summey](#), is a native of Monroe County. Paulette spearheaded the Lake Clean-Up Day in 2013 for the city of Vonore. Presently she is working with the city to stabilize the shoreline around an area that will be the Veteran's Memorial Park. Paulette works as an assistant to Monroe County Mayor Tim Yates, and is married to Vonore City Mayor, Larry Summey. Paulette will work on procuring grants for WATeR.

[Bob Martin](#) joins the board this year; however, Bob is not new to WATeR. For the past eight years he has been the chairman of the Trails Committee. Bob has overseen the building and maintenance of the East Lakeshore Trail which now extends twenty-five miles along the east side of Tellico Lake and is scheduled to be completed sometime this spring. Work by volunteers takes place three days a month, which Bob coordinates.

Bob has been a resident of Tellico Village for nine years. He was with the National Park Service before retiring. WATeR is very lucky to have been able to take advantage of his expertise. Bob will act as liaison to the Trails Committee and will continue as the main contact to TVA.

## Increasing Public Awareness of WATeR

The Signs read “Keep the Tellico Watershed Clean” followed by the WATeR logo

Sign is located at Routes 321 and 95.

Sign is located at Sloan's in Tellico Village.

With the help of Larry Benson, WATeR has placed three signs at prominent locations around the Tellico Reservoir to increase public awareness of the need to keep the watershed clean. They are 2 feet by 3 feet aluminum signs located at: the Sloans store in Vonore at the entrance, ahead of the grocery cart storage area; Sloan Village, on the exterior wall at the exit; on private property on the left side TN 95 just off of US 321 N. A fourth sign will be mounted on the right-of-way of East Coast Tellico Parkway just off of US 411.

Thanks to the owners of the two Sloans stores (T.K. Sloan and Whitney Grubb), Jeff Cobb on Highway 95 and Eddie Simpson, Loudon County Road Superintendent, for their awareness of the need to keep our reservoir clean and their much appreciated permission to mount WATeR signs on their property.

Sign is located at Sloan's in Vonore.
